MEY (Mental Education Yes)
06/2022 - 08/2022

With my adaptability, I was able to create Back-end Apps based on services used by the Google Cloud Platform, making me sure to continue my love of working as a Back-end Developer. For this reason, if in the future I am allowed to work at your company as a Back-End Developer or as a Cloud Engineer/Architecture. So I will be consistent in increasing my knowledge with the help of the Lord Jesus so that the office and its surroundings will be proud
